

ARE TO PRAY FOR UNIVERSAL PEACE

Midnight Mass Will Be Celebrated On
Christmas Eve at St. Mary's
Church.

ELABORATE SERVICES PLANNED

Full Choir Is to Render Special Musical
Program—To Take Annual
Offering for Pastor.

As an incentive to prayer for universal peace, midnight mass will be celebrated on Christmas eve at St. Mary's church, Fourth avenue and Twenty-second street, of which Father Kluck is pastor. Although Bishop Edmund M. Dunne, Peoria, Ill., has sent out a letter to all of the priests in this diocese granting privilege of holding the special service at the hour named, St. Mary's church will be the only Catholic church in the city which will follow the suggestion made.

The statement from Bishop Dunne follows: "St. Mary's cathedral rectory, Peoria, Ill., Dear Father: As an incentive to offer fervent prayer for universal peace on the birthday of our Divine Redeemer, The Prince of Peace, we grant you, this year, the privilege of celebrating midnight mass in your church on the feast of Christmas. Please bear in mind, however, that the synod statute 195 about the distribution of holy communion must be rigorously observed. It cannot be administered at the midnight mass outside of colleges, convents, or other religious institutions."

"With every kind wish of this blessed season to yourself, as well as your people, we remain, Yours faithfully in Christ, Edmund M. Dunne, bishop of Peoria, Edward J. Schaefer, chancellor."

Plans Special Music.

In speaking of his plans for the service today, Father Kluck said that the full choir would give a special musical program and just before midnight would render the celebrated German Christmas composition, "Holy Night." At 12 o'clock solemn high mass will be started, in which three priests will participate. A sermon will be given by one of the visitors. The entire service will be in English. The annual free will offering for the pastor will be taken at this time.

Christmas morning at 7:30 holy communion will be distributed and at 9:30 high mass will be observed, with special music by the choir.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to
Bring Back Color and
Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggy, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wreth's Sage and Sulphur Compound," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wreth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.
